Hello,

I love your fried chicken, it is the best I have ever had. There are not many of your outlets around so whenever I see one I always stop and buy some chicken! I recently stayed for a week in Gaynday for a week and was happy that you had an outlet at the local servo. I bought chicken there every day!

I was wondering if you have any outlets in Sydney? I am also possibly interested in a franchise. Please send me your info pack.

Kind regards

Andrew Stewart
