

20th December 2000

On 31 March 1996, '*Country Friend Chicken*' was introduced to my business which operated as a lunchbar and tearooms.

'*Country Fried Chicken*' exceeded all our expectations. It was and continues to be a roaring success.

Within two weeks of installing the system, and, almost instantly we have achieved high chicken sales.

'*Country Friend Chicken*' also complemented other products in our outlet. With the introduction of nuggets and burgers, we have been kept very busy.

The management and staff at '*Country Friend Chicken*' are only too happy to assist with any queries. They pride themselves on after sales customer support. As a company, I have found at all times that my interests are a priority.

Please feel free to give me a call if you have any queries regarding '*Country Fried Chicken*', or would like to know more.
