Dear Peter,

I would like to thank you for your excellent service.

The Country Fried Chicken product is fantastic and my customers love it - its flying out the door!

Your staff are extremely helpful and always cheerful.

Our shop sales have increased with the advert of CFC and I would highly recommend it to anyone with a business similar to ours.

I am more than happy to recommend your company and was pleasantly suprised at the level of service you give and how smoothly the installation took place.

Best wishes and Good Luck growing the Brand

Yours sincerely
